

RE/MAX LAUNCHES PREMIUM CLIENT ACCESS!

LAUNCH! RE/MAX Property Management Services is pleased to announce the launch of its new generation of client websites.

At RE/MAX Property Management Services, we have committed to continually improve client services. As part of this commitment, we have completely redesigned our client websites to give residents:

- 24/7 access to important documents such as minutes, bylaws, meeting notices and *Strata Property Act* forms
- Ability to submit maintenance requests, book common rooms, guest suites, moves (elevator reservation etc), update enterphone information, request keys/fobs/remotes – all customized for the needs of your strata community
- Ability to view maintenance schedules, updates on capital projects and important building notices
- Resource for information on strata living such as information on insurance, maintenance and the role of your strata council and property manager

Subscription

Sign up for automatic email updates whenever there are news, events, or building updates.

SUBSCRIBE! Simplify your life and subscribe to receive important information.

Enhance your experience by subscribing to receive alerts when important documents such as General Meeting Notices and Meeting Minutes are posted to your community website.

THERE'S MORE! This is just the start – additional features are coming soon.

Check back often as new features are continually being added to your site. Upcoming enhancements include:

- Individual logins which will allow residents to access their strata accounts and update their contact information
- Strata Council access to financial statements, copies of invoices and other important documents such as service contracts
- Vendor access to submit invoices and track the approval and payment process
